

Specialized Protection Services for First Responders

Why Do First Responders Need Specialty Services?

First responders are the ones who protect our families in times of need. Now it's our turn to protect them. Brightly's First Responder Family Protection Services cover a range of potential challenges facing families. The services can be bundled to create a broader insurance protection package for first responders and their families. We offer a full suite of comprehensive services designed to protect their family and their future — from natural disasters to family caregiver services to cyber security and protection and COVID-19.

What Speciality Services are Included?

NATURAL DISASTER AND FLOOD PREPAREDNESS

We look at first responder property and assess the risks for floods and natural disasters. We will provide guidelines and tools to prepare for a possible disaster, and even help recover and organize property claims and paperwork should the unimaginable happen.

FAMILY CAREGIVER SOLUTIONS

We provide support services and resources to help first responders when someone becomes a full or part time caregiver to a loved one. Our services help you manage the loved one's medical needs, keep track of finances, and manage their own stress..

FAMILY CYBER PROTECTION AND SECURITY

We can analyze a first responder's digital footprint and identify many weak links. We help resolve many existing threats, and protect against future ones. If a breach occurs, we offer urgent assistance, fraud resolution, document replacement, and more to help first responders recover quickly.

COVID-19 SERVICE

The global pandemic has changed operating models around the world. Our COVID-19 Personal services help your family adapt to this new normal with unbiased and vetted information resources that support first responders.
